## Question

I am looking for information regarding how many frontline ambulances (also referred to as frontline accident and emergency ambulances) have failed an MOT in each of the following years: 2019, 2020, 2021, 2022, 2023 and 2024 (most recent).

Can I also have a breakdown of the data by location?

## Answer

The Scottish Ambulance Service does not hold records of failed MOT's, it is for this reason we have applied section 17 of the Freedom of Information Scotland Act 2002, as information not held.
