Section 4: Addressing impacts **Select which of the following apply to your policy and give a brief explanation - to be expanded in Section 5: Action plan**	
	Reasons
a. **No major change** - the EQIA shows that the policy is robust, there is no potential for discrimination or adverse impact and all opportunities to promote equality have been taken	Personal information is not visible to resource planners and therefore cannot influence their decision making.
b. **Adjust the policy** – the EQIA identifies potential problems or missed opportunities and you are making adjustments or introducing new measures to the policy to remove barriers or promote equality or foster good relations	
c. **Continue the development and implementation of the policy without adjustments** – the EQIA identifies potential for adverse impact or missed opportunity to promote equality. Justifications for continuing without making changes must be clearly set out, these should be compelling and in line with the duty to	

have due regard. See option d. if you find unlawful discrimination. Before choosing this option you must contact the Equalities Manager to discuss the implications.	
d**. Stop and remove the policy** - there is actual or potential unlawful discrimination and these cannot be mitigated. The policy must be stopped and removed or changed. Before choosing this option you must contact the Equalities Manager to discuss the implications.	

Section 5: Action plan
Please describe the action that will be taken following the assessment in order to reduce or remove any negative / adverse impacts, promote any positive impacts, or gather further information or evidence or further consultation
