Question

I would like to know:

As part of an academic poster I was looking to out as a part of my research. On the service EPRF system how many reports were closed of Diabetes but how many of those were closed of Hypoglycaemic events

Answer

Please see below the number of attended emergency incidents noted against code 13 Diabetic and the number noted as Hypoglycemic.

2020 - 2021

13 Diabetic

Month / Year	Number of Incidents	Number Hypoglycaemic
April 2020	527	292
May 2020	614	353
June 2020	566	319
July 2020	591	329
August 2020	566	308
September 2020	512	263
October 2020	550	285
November 2020	595	290
December 2020	542	253

January 2021	554	249
February 2021	517	246
March 2021	535	274
Sum:	6669	3461
