Executive Team – Action/Decision Log 07 October 2025					
Action Number	**Meeting Date/Item Number**	**Action (A) Decision (D) Information (I)**	**Discussion/Rationale**	**Action Owner**	**Action Due Date**
8.	2025/10/08	**D/A**	[redacted] presented a paper on **Ambulance Control Centre Management Structure Review** which presented options for restructuring the ACC management team, with the Executive Team agreeing to a one-year test of change for an additional 8A post focused on non-conventional dispatch and resilience, aligned with project management resources. [redacted] Three options were presented 1. maintaining the status quo, 2. reconfiguring existing resources, 3. adding a temporary 8A post with option 3 being the preferred option. Following Executive Team discussion, it was agreed to proceed with the one-year test of change by creating an additional Band 8A Deputy Head of Service to take forward the review of all Non-Conventional Dispatch with a clear remit of structural review, whilst ensuring alignment with project management. It was further agreed that updates on progress should be presented to the Exec Team at 3, 6 and 12 month points.	**National Operations Director** **General Manager ACC**	**Dates to be confirmed, with updates to Exec Team at 3, 6 and 12 month points following appointment of Deputy Head of Service**
