Question

I would like to know:

I would like the organisation to provide me with the following departmental documents around ICT and corporate procurement. Many organisations within your region have different document title names:

1. 2023/24 IT Department Documents; - these types of documents have detailed information on the department's future plans and strategies. These documents include: ICT Strategy/Plan, ICT Department Plan, ICT Financial Plan
2. ICT Org Chart;- with names and job titles
3. Corporate Procurement Strategy that covers 2023/24 and more.

For all the documents I have requested, please provide me with the 2023/24 documents, I only want to only receive documents that are live and valid. If the document is a strategic plan (e.g., 2020-2025) that covers a set number of years, please provide me with the 2023 version.

I also require the full version of the documents I have requested, if any parts of the document is missing, please state this in the response
