

Freedom of Information Request

20th October 2022

Question

I would like to know:

Can you provide (lat/long, grid ref or postcode would work), date and time, Response Category and a brief description or mechanism / presenting complaint (especially those classed as drowning / in water or mental health/self harm involving bridges, rivers and the sea). The area of concern is the River Tay around the Dundee Road Bridge.

The postcode sectors are:

DD1 3
DD1 4
DD2 1
DD2 5
DD5 1
DD5 2
DD6 8
DD6 9

The bounding box is:

North - 56.48°N,
South - 56.40°N,
East - 2.83°W,
West - 3.07°W

Answer

The Scottish Ambulance Service have conducted a search and concluded that we don't hold this information requested as per section 17 of the Freedom of Information Scotland Act 2002. We are unable to determine if the code 'Drowning' or Mental

Health' input by crews matches the criteria of the data you require without increased skill and complex judgment.
