NOT PROTECTIVELY MARKED

SCOTTISH AMBULANCE SERVICE BOARD

REPORT FROM BOARD DEVELOPMENT SESSION

TOM STEELE, CHAIR

SECTION 1: PURPOSE

Board Development sessions are held bi-monthly and provide an opportunity for Board members to consider issues in detail and improve members' understanding and knowledge of what are often complex subjects. The format of the sessions usually consists of a presentation or briefing from Executive Directors and managers leading the area of work, or staff involved in the work, followed by discussion and questions from members or a workshop focused on areas for board development.

SECTION 2: BACKGROUND

Board Development sessions are not decision making meetings. The Board's Code of Corporate Governance sets out the decision making process which is observed. The sessions do however assist the decision making process through in depth exploration and analysis of an issue which may be the subject of a formal board decision. They also provide an opportunity for updates on ongoing strategic matters.

SECTION 3: DISCUSSION

Due to the ongoing pandemic and social distancing measures, the Board Development session on 28 April 2021 was held virtually by MS Teams.

At this session, Board members received a presentation on developing the Service's 2030 strategy, reflecting on learning from the pandemic.

Board members then participated in the Service's annual risk workshop, facilitated by the Service's internal auditors, to review the Service's Corporate Risks and Risk Appetite Statement.
