

# Freedom of Information Request

**23rd November 2022**

## Question

I would like to know:

How much does it cost for you to provide an ambulance to collect me from home and take me to an appointment then return home?

## Answer

We do not hold this information. The average cost per incident is published by ISD Scotland under National Statistics. Please note that every incident will have a different cost associated with it and we do not hold cost information down to any specific level.
